Vice President's Report

I have spent the year, again down and dirty, supporting my local Group in programme production, transport, events and advice. To a somewhat lesser extent extended out to other Groups too.

At an Area level I have continued to provide administrative support.

At National level the directory was again produced and distributed to all those who saw fit to provide an e-mail for said directory. Please note due to GDPR if you don't tell me your details I really can't include them on the basis of last year's information, so please send them in to abarnard@jet.uk or post to 21 White Leys Close, Didcot, Oxon. OX11 7LP.

I have supported Ben in his running of the AGM and Spring Holiday.

I hope to be organising National Badminton in May, so let's hear your preferred dates please.

I have attended all physical NEC meetings.

Given it's a voted-on position these days I'm happy to stand again should you decide that you want me to.

Regards, Adrian.
